MAINTENANCE

Lohmann's did not attend meeting. Huckabee stated the only thing she is aware of that has happened, is that at two stations, a contact wire was loose, causing a pump not to work.

## LEGAL

Mike Niemiec attending for Mark Smith and reported liens were filed on a couple properties for nonpayment of sewer fees. He also said there is going to be a conference call with the judge and companies regarding the court case on 4/11/18. Mark Smith will speak about this at the March meeting.

## OTHER BUSINESS

A Visa credit card will be obtained from C & N Bank instead of a debt card for purchases that are needed. In the past Huckabee used her personal one and was reimbursed.

Terry Depew spoke about the information that was received regarding bond refinancing. Mark Lunquist was not able to attend meeting, so we will table until he is able to explain.

Discussion followed about the Township roads and that we were not informed about road projects this year. We will write a letter to the supervisors letting them know what our concerns are.

No further business, meeting adjourned at 6:05 p.m.

Respectfully submitted,  
*Valorie L. Huckabee*
